## TIP SHEET FOR ORDERING COVID PCR SWAB AND PROVIDER VIDEO VISIT

Use **Ambulatory Referral to COVID Testing Appointment/RSC and COVID POCT/PCR Panel (REF 778)**, to request a provider appointment or a swab only visit. The PCR swab order is included in the order panel.

### Provider visit + Swab

Select Provider Appointment, Video Visit and PCR Swab

Ambulatory Referral to COVID Testing Appointment/RSC and COVID POCT/PCR Panel (UCSF ONLY)  Accept

Ambulatory Referral to COVID Testing Appointment or Respiratory Screening Clinic (UCSF ONLY)  Accept  Cancel

Class: UCSF

Referal: To dept spec: General Internal

To dept:

Priority: Routine

Select visit type: Pre-procedure/admission/study testing only Other COVID testing-only appointment **Provider appointment**

Which type of visit should be scheduled? In-Person visit **Video Visit** Molecular Antibody COVID Treatment

Does the patient have a UCSF PCR? Yes No

Process Inst: Please consult the reference link below for guidance on when to select PCR vs POCT.

For "Pre-procedure/admission/study testing only" and "Other COVID testing-only appointment" remember to place all orders requested, including the appropriate COVID swab order - PCR, POCT or both.

For pre-procedure testing, POCT should be requested to be done on the day of the procedure (it is valid for 24 hours). Pre-procedure PCR should continue to be requested 2-4 days prior to the procedure.
