

UCSF Health
V.6
6.26.2020

UCSF Health Ambulatory Preparation for Approved Essential Surgery, Procedures, & Studies in Asymptomatic Pediatric Patients

Subject to modification - Refer to UCSF Infection Control Website for version updates
Owners: Susan Smith, MD, Bryn Boslett, MD, Lee Atkinson-McEvoy, MD, Lynn Ramirez, MD

Guidelines cannot replace personalized evaluation and management decisions based on individual patient factors

Target audience: **Pediatric** Ambulatory Services using the Prepare Clinic

Notes:
-Surgeries, procedures, and studies that do not utilize Prepare clinic will be addressed in a different workflow
-For patients that live far from UCSF, we are formulating a plan to accommodate pre-procedure testing which will be determined soon
